A close-up photograph of a glass teapot filled with a golden-brown liquid, likely tea, with a metal mesh strainer inside. The teapot is on a light-colored, textured surface. In the background, another glass container with a lid is visible, containing a dark liquid. The word "TEA" is overlaid in a large, bold, gold-colored serif font, with a decorative flourish underneath the letter 'A'.

TEA

We serve special tea made by Toors - a small local Thai tea producer. Toors goes beyond being just a tea brand. Experience your nature
